

Workshopreihe

Workshop Series

5 modules, 90 minutes each

A modular series showing how the theme of longing can be used analytically, reflexively and methodically in political adult education — turning the project's materials into ready-to-use educational practice.

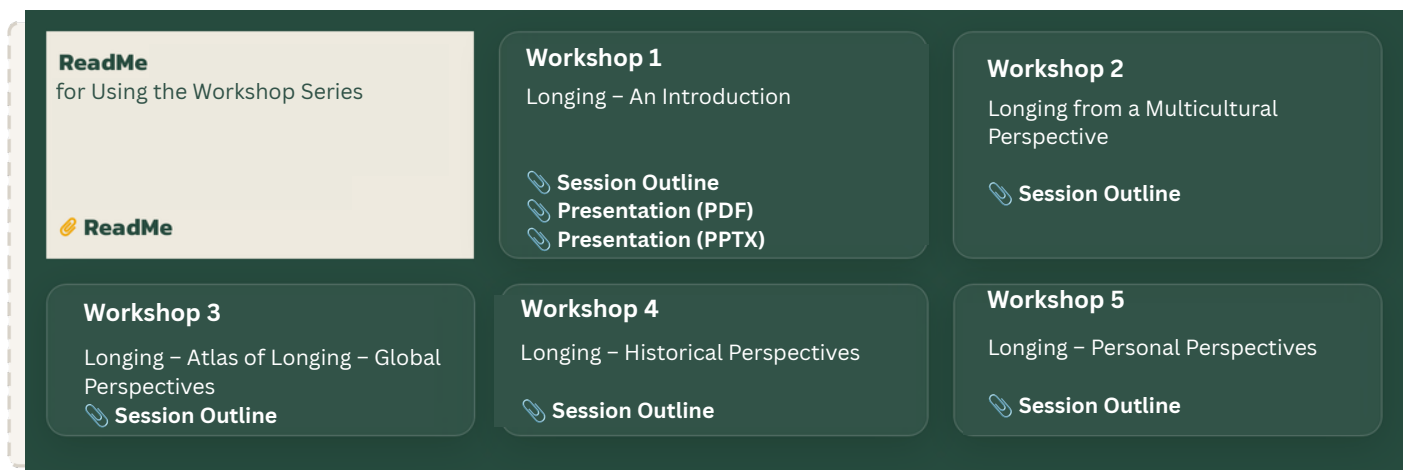

Photo 1 — workshops overview

At a glance

- Format: five independent modules, 90 minutes each
- Materials: editable Word documents plus PowerPoint and PDF slide decks
- Approach: heutagogical — participants as active co-authors of their own learning
- Use: seminars, professional training, or self-study

Core didactic principles

Self-directed learning · personal responsibility · critical reflection — the three guiding principles behind every module, combining theoretical input with participatory, interactive methods of adult education.
